

Opportunity for Pediatric OT or COTA

Creative Health Solutions, founded and led by Judy Feingold, OTR/L, is one of Northern Virginia's leading innovators in pediatric special needs therapies. Its holistic approach integrates Occupational and Speech therapies with each other and combines the best supporting modalities. Creative is friendly and nurturing, its therapists are motivated and passionate, and its spacious treatment rooms are naturally lighted.

This is a meaningful and personally rewarding opportunity for a full or part time Occupational Therapist or Certified Occupational Therapist Assistant. At Creative we want you to speak out and we listen. Here you become part of a great team creating a better future for our children.

At Creative we devote ourselves to bring out the greatness and great potential in each child; we approach each child with kindness, love, compassion, and respect. At Creative your work is always exciting and your results are often transformational.

Creative is a place to learn and grow, a place of excellence, a place where you will see the positive result of your actions every day. Help remove the barriers for each child; help bring the best in each child to fruition.

Help make better lives for many children and their families...every day.

Company matched and immediately vested 401K; subsidized medical, dental, and vision for full time positions. Unlimited career potential.

Call 703-639-4078, email careers@CreativeHealthLLC.com, fax 888-314-6706. I promise you a timely personal response. (View our web site: www.CreativeHealthLLC.com)

My warmest regards,

A handwritten signature in blue ink, appearing to read "Richard Feingold".
